EXPLORE PATRIOTS PLACE

Great trip for the whole family!

Take the tour through the Patriots Hall of Fame. The Kraft Family wanted a way to honor the greatest Patriots of all time while simultaneously preserving Patriots history.

They scored a touchdown when they opened The Hall. After the tour we'll save the world, for the next hour your team will be fully immersed in the world of Espionage! 5 Wits is a cutting-edge concept in live-action entertainment that "immerses" participants in realistic, hands-on adventures through computer controlled special effects.

HOW TO WATCH A GOOD PROGRAM DIE

PLEASE REGISTER EARLY

Nothing kills a recreation program faster than residents who wait until the last minute to register. There is a point when a program must be canceled or modified if there is insufficient registration.

All programs require a high level of coordination, often including facility scheduling, staffing, volunteer recruitment and purchasing of supplies. In order for us to host quality sports programs, special events, and classes **please keep an eye out for deadlines and cut off dates.** We request that you register for activities at least two weeks prior to the program start date, unless otherwise noted.

Don't let a good program fail.

POLICIES

The Rec Department reserves the right to cancel any program, event, or activity due to insufficient registration or for any other reason preventing a quality activity. No refunds, credits, or transfers will be issued after the first day of the class or program. Full refunds or credits may be granted prior to the start date of a class or program.

We are always looking for new trips, events, and activities, as well as instructors for new and exciting classes. Feel free to share your ideas with us!
